

Beaufort Family Practice Billing Policy Effective 1 November 2025

Beaufort Family Practice is a **Bulk Billing Practice for ALL ELIGIBLE PATIENTS for all eligible Medicare item numbers.**

Practice fees apply to:

1. All patients ***not eligible*** for Bulk Billing (please check with our Reception Team for the fee at the time of booking your appointment).
2. Skin procedures, Implanon insertion and removal, and other procedures. Please check with your regular GP if a fee will apply for your procedure prior to booking.
3. Private Employment/Insurance/VicRoads medicals, medical reports and medical Records
4. All TAC/Work Cover appointments that do not have a GP Payment pre-authorised letter from the agency.

Fees/Pricing for all Patients that are Not Eligible for Bulk Billing

Type of Consultation	Practice Fee	Rebate payable based on individual private insurance policy terms and conditions
Level A (0-5 min) - Short Consult	\$60.00	
Level B (6-19 min) - Standard Consultation	\$95.00	
Level C (20-39 Min) - Long Consultation	\$170.00	
Level D (40-59 min) - Extra Long Consultation	\$210.00	

Given that most documents presented for completion require more than a standard consult, patients are requested make a long appointment with their regular doctor.

While some documents may be covered by Medicare rebate item numbers, patients should be aware that not all reports/document completion is billable to Medicare and that doctors may charge a private fee based on the actual time taken to complete.

Payment at the time of consultation can be made by cash, cheque, EFTPOS, Visa or Mastercard.
